

## *The mains event*

For those who can't get enough of wedding-related reading fodder then pick up Mains of Taymouth's brand new boutique wedding brochure, which makes the most of the estate's comprehensive local knowledge. The award-winning venue boasts four and five-star cottages, houses and apartments on site, which sleep up to ten people, so guests will be sorted. Newlyweds should check out the decadent Bell Tower Cottage with its sumptuous designer bathroom and four-poster bed.
