THE PEOPLE of Highland Perthshire are being asked to get behind a charity event for Macmillan Cancer Support.

Mains of Taymouth self-catering estate at Kenmore, on the banks of Loch Tay, is playing a part in The World's Biggest Coffee Morning on Sunday, September 26, from 9am to noon.

The event is one of hundreds to take place over the coming weeks throughout the UK.

Organiser Irena Menzies of Mains of Taymouth, whose model daughter Danni is the Scottish face of the cancer charity, said, "With Danni having become involved with Macmillan through her modelling work and having raised money herself through abseiling and

other activities, we have been keen for a while to hold our own fund-raising event at Mains of Taymouth.

"Being a small community used to welcoming many visitors every year and showing off the best of what Highland Perthshire has to offer, we are also in the enviable position of being able to involve the whole village."

The Blair Atholl Pipe Band will perform at the coffee morning and a Macmillan balloon race will close proceedings.

As well as coffee and cakes there will be various stalls and a tombola, children's entertainment, pony rides and golf competitions.

The Courtyard deli and gift shop will also offer free food tastings.

To offer donations of baking or tombola prizes call 01887 830226.

A grand prize draw will be held at Mains of Taymouth on October 30—around £5000 of prizes have been donated, and more would be welcome.

Tickets for the prize draw concert, where Edinburgh band The Vespas will perform, cost £5.
